Dealers in Spurious Gems Operating on the Coast.

It may be giving timely warning to people in these islands to copy the following from the San Francisco Chronicle:

It is said that shrewd dealers in gems that deceive have been operating among jewelers in small towns, and particularly in Oregon and Washington, where a number of tradesmen have been swindled by buying clever imitations of diamonds and rubies.

A man from Oregon visited Andrews' Diamond Palace a few days ago with a beautiful stone, which anybody but a thorough expert would have pronounced an emerald worth at least \$250. On analysis it was found to be a "re-constructed" stone worth about \$40.

A Paris syndicate now manufactures artificial and imitation gems which so perfectly counterfeit the genuine that few persons can distinguish the difference. It is believed that men representing themselves to be traveling salesmen have imposed upon many small dealers in this way.

**Yales' La Freckla**

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles. The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.
